

# techline®

furniture and cabinetry  
*value for a lifetime*

## **GUARANTEE**

Techline Studios Guarantees to the original owner that its product will be free from defects for all standard catalogued products as manufactured by its factory.

Techline products are produced from the finest materials available and each step in the production of cabinetry and furniture, starting with the manufacture of Melamine board, is performed in a climate-controlled factory to assure a high quality from start to finish.

Techline is a precision mass produced modular furniture and cabinetry system that is flexible and aesthetically satisfying combining quality materials and simple classic design. Minimum maintenance is required to assure the longevity of its beauty.

The Result: An affordable, versatile furniture system that will look as good tomorrow as it does today. Our guarantee is to replace any component, which shows a defect in material or workmanship, for product produced from 1994 to the present; is your assurance of satisfaction — *value for a lifetime*.
