IMPORTANT NOTES

These examples of closet prices will vary from your actual closet design based on the following factors:

Design All designs are priced by component. Therefore, pricing will vary based on drawer, shelf and hanging combinations or any other variation from the designs shown here.

Dimensions All of our components are priced based on size. For example, a 72" closet with the same design will vary in price from a 74" closet.

Color All of our components are priced based on the following schedule: White Finish is our base price; Ivory Finish is an additional 5%; Cherry, Candlelight, Espresso, Light Maple and Chestnut are an additional 25%.
