

Techline USA, LLC Limited Warranty

North America (US/Canada/Mexico)

Techline USA, LLC ("Techline") warrants to the original purchaser that its products will be free from defects in materials and workmanship, for the following periods after date of purchase:

5 Years	All products as produced by Techline, including integral hardware, except as set forth below
3 Years	Non-standard products (products not found in Techline catalog)
1 Year	Veneer
1 Year	Work surface accessories and hardware items such as, but not limited to, electrical components (e.g., lighting and wiring), legs, screening, fabric panels and work surface mechanisms.

This warranty does not apply to: damage caused by carrier as described under separate terms; negligence; misuse and abuse; abnormal usage; excessive loads; modifications of the product; materials specified by the customer that are not standard material offerings of Techline; and slight variation between high and low pressure laminate and edge banding. Techline does not warrant the matching of veneer color, grain or texture on product or component parts. Separately purchased raw materials (edge banding, particle board, high and low pressure laminate) are not covered under warranty. Improper assembly or installation, or failure to follow instructions and warnings in assembly instructions, will void warranty.

IN NO EVENT SHALL TECHLINE BE RESPONSIBLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES ARISING OUT OF A DEFECTIVE PRODUCT CLAIM.

Some states do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply.
