

American Made

Techline offers companion seating lines that match the Techline quality and guarantees. Our manufacturing partners are “VIA Seating” and “Compel Seating” and just like Techline furniture and cabinetry “Made in the U.S.A.”. For you, this means products specifically designed, engineered and built to meet your needs and work space requirements.

VIA and Compel Seating products are specifically manufactured to the highest levels of quality for the past quarter century. We guarantee your satisfaction and assure your comfort. Seating purchased along with Techline furniture (Casegoods) for the home or Techline cabinetry (casework) for the business or medical office make it possible to coordinate finishes of seating and custom sized tack boards and panels.

In-Stock Ship Within 48 Hours

3 ways to maximize your cost discount are:

D.I.Y. – Packaging/Shipping Details

Executive, Management/Conference, Task Seating are shipped individually in three sections: Seat/back, cylinder, caster base. Multipurpose seating is shipped assembled in quantities of two chairs per carton. All seating with in-stock fabric ships within 48 hours.

D.I.Y. – How to Assemble Your Chair

Tools Required: None

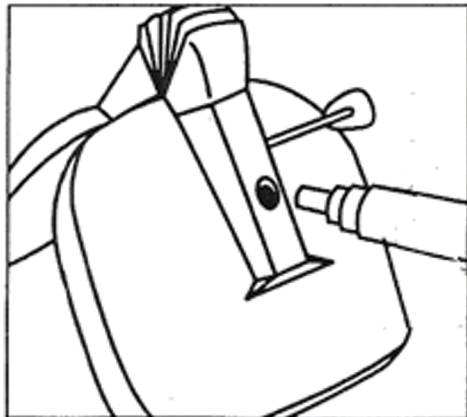

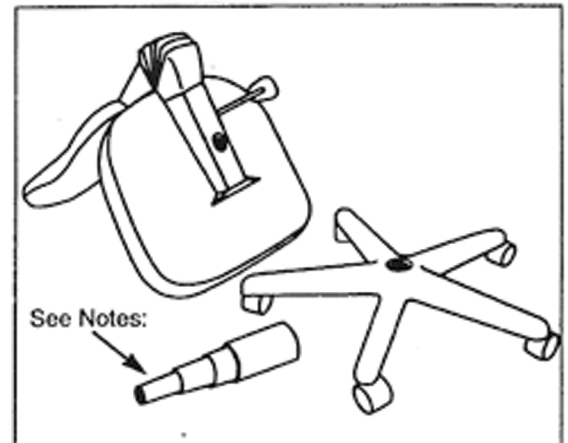

Your Carton Will Contain:

- 1 ea. Chair Frame Assembly with Arms Installed.
- 1 ea. Five-Star Base with Casters Installed.
- 1 ea. Gaslift Cylinder with Telescopic Cover.

Gaslift Cylinder is packed in a small corrugated container.

Step 1:

Remove all components from carton, and remove all wrapping. Carefully place Chair Frame Assembly in an upside down position on the floor.

Step 2:

Place the small diameter end of the Gaslift Cylinder into the centered hole located on the bottom of the Chair Frame Assembly.

Note: Make sure the three piece Telescopic Cover is installed on the top of the Gaslift Cylinder before you place the cylinder into chair.

Step 3:

Place Five-Star Base onto Gaslift Cylinder.

FINISH

Carefully return chair to an upright position. Sit firmly in chair several times to fully engage Chair Frame Assembly to Gaslift Cylinder and Five-Star Base.
