

AWI CERTIFICATION

Techline is a certified participant in the AWI Quality Certification Program

Techline has completed all requirements of the Architectural Woodwork Institute's (AWI) Quality Certification Program (QCPI). Techline's Architectural Casework and Architectural Woodwork products are AWI certified in the Construction Specifications Institute (CSI) sections 300-600 and 1500-1700 for all the grades.

Techline has continued their responsibility to improve on a tradition of quality manufacturing.

CSI Section	Section Description	Grade
300	Standing and Running Trim	Premium, Custom, Economy
400	Architectural Cabinets	Premium, Custom, Economy
500	Panel & Related Wood Doors	Premium, Custom, Economy
600	Closet & Utility Shelving	Premium, Custom, Economy
